

# In The United States Patent Office

*In re* Application of Venkata  
TARUR *et al.*

Serial No. 10/568,732  
Filed 3 May 2005

## COMMUNICATION

### REMARKS

The captioned application is USA National Stage of PCT Application No. PCT/IN2005/000139. The US filing included an *International Search Report* with copies of each reference cited. The *International Search Report* cites that French Patent No. FR 2,196,165 A is in the French language. For the convenience of the examiner, enclosed find the GB equivalent (GB 1,369,580 A) in the English language.

Respectfully submitted on behalf of the Applicant by its attorneys,  
PHARMACEUTICAL PATENT ATTORNEYS, LLC
